Licensee may not change the form or display any of the Designated Leapfrog Logos.
2. If part of a multicampus organization or part of a multihospital system, Licensee must make clear that the Designated Leapfrog Logos apply only to specific campuses or to specific hospitals and not to the entire organization or system.
3. Licensee should give credit to The Leapfrog Group and link to Leapfrog's respective program webpage where possible and appropriate, for example:
 - i. Leapfrog Hospital Safety Grade website (www.hospitalsafetygrade.org)

5. When using or displaying the Leapfrog Designated Logos, Licensee must display the most recent, officially licensed Leapfrog Designated Logos during the term of the License. The date-stamped logo (e.g., Spring 20XX or Fall 20XX) corresponding to the applicable Leapfrog Program cycle must be included wherever the designation appears. No alterations, modifications, or removal of date stamps from the logo are permitted.
6. Licensee may not republish the Designated Logos of any facilities other than its own purchased through this Agreement. The Designated Leapfrog Logos may only be used by the specific facility or facilities that have individually purchased a license. Logos may not be transferred, sublicensed, or displayed by any other hospital within a multi-hospital system or by parent organizations that have not obtained an active license for each facility using the logos.
7. Licensees using the Leapfrog Hospital Safety Grade must display the Official Licensure Logo (Leapfrog Hospital Safety Grade "A" or "B" Logo) as displayed below in any printed or web materials. Licensees may choose to display the Leapfrog Hospital Safety Grade Program Logo and/or The Leapfrog Group Logo.

 - ii. Licensee must not state or imply that it is safer than hospitals receiving lower letter grades on the Leapfrog Hospital Safety Grade unless the statement is qualified to indicate the concept "as measured by the Leapfrog Hospital Safety Grade." Preferred language would be, "X Hospital has received a higher Leapfrog Hospital Safety Grade than other hospitals in our community." Licensee must not state or imply that it is safer than other hospitals receiving the same letter grade on the Leapfrog Hospital Safety Grade. Licensee may not publicly display or otherwise reveal relative rankings among hospitals receiving the same letter grade in any use.
8. Licensees using the Top Hospital Designation must display the Official Licensure Logo (Top Hospital Logo) as displayed below in any printed or web materials. Licensee may additionally choose to display The Leapfrog Group Logo.

14. The Designated Leapfrog Logos and all Intellectual Property Rights (defined below) therein are owned by Leapfrog. Licensee shall not reproduce, republish, distribute, modify, reverse engineer or otherwise exploit the Designated Leapfrog Logos in whole or in part, in any manner not expressly permitted by this Agreement and must not remove or modify any copyright or trademark notice, or other notice of ownership.

LICENSEE ACKNOWLEDGES AND AGREES THAT, SINCE THE LEAPFROG HOSPITAL SAFETY GRADES AND TOP HOSPITAL DESIGNATIONS ARE BASED ON INFORMATION PROVIDED BY THIRD PARTIES, IT IS REASONABLE THAT THE LEAPFROG HOSPITAL SAFETY GRADE AND TOP HOSPITAL DESIGNATIONS, AND ANY SERVICES PROVIDED UNDER THIS AGREEMENT BE, AND THEY ARE "AS IS," "AS AVAILABLE" AND "WITH ALL FAULTS".
